

## HARBOUR LIGHTS

INTRO: (C) (G7) (C) (C)1

(C)3 I saw those (G7) harbor lights  
They only (Dm) told me we were (C) parting  
The same old (G7) harbor lights  
That once brought you to (C) me. (C)1

(C)3 I watched the (G7) harbor lights  
How could I help if tears were (C) starting  
Goodbye to (G7) tender nights  
(Dm) Beside the silvery (C)2 sea. (F)2 (C)1

(C)3 I long to (F) hold you near  
And kiss you just once (C) more  
But you were (Am) on the ship  
And I (Dm) was on the (G7) shore. (C)1

(C)3 Now I know (G7) lonely nights  
(Dm) For all the while my heart is (C) whispering  
Some other (G7) harbor lights  
Will steal your love from (C)2 me. (F)2 (C)1

(C)3 I long to (F) hold you near  
And kiss you just once (C) more  
But you were (Am) on the ship  
And I (Dm) was on the (G7) shore. (C)1

(C)3 Now I know (G7) lonely nights  
(Dm) For all the while my heart is (C) whispering  
Some other (G7) harbor lights  
Will steal your (Am) love (G7) from (C) me. (G7) (C)
