

FIDDLE TUNES (FT8)

Captain Jinks

traditional fiddle tune

adapted by Larry R. Conger

♩ = 100

flat-pick

6/8 time

strum all strings

flat-pick

Captain Jinks is a fairly easy jig to play. The A part will require more practice than the B part. Many of the arrangements use different techniques in order to make the tune more interesting musically. Here is a common example of the use of different techniques where the A part is flat-picked and the B part is strummed. The contrast will help to hold the listener's attention.

3X AA BB

Same ₈ tune as fiddlers three
