

FIDDLE TUNES (FT35)

The Star of the County Down

traditional fiddle tune

adapted by Larry R. Conger

Capo 1

♩ = 160

flat-pick

CAPO 1

Intro.....

The Star of the County Down is written in the key of Em. If you are in a D-A-dd tuning, placing your capo on the 1st fret will automatically transpose you into the key of Em. Each fret is numbered the same as it would be without a capo except for the first fret which is now tabbed 0 and played as an open string. This tune can be played fast or as a slow ballad. Try it both ways and be your own judge.
