Intro.....

TIP-To fingerpick this song- Put the fleshy part of your thumb against the outside of the melody string and push the string away from you and release it. Place your index finger between the middle and bass string. Pull the middle string towards you and release. Place your middle finger against the outside of the bass string. Pull the bass string towards you and release. Play only one number at a time. Numbers in parentheses are not to be played. They are to get you ready for the entire measure.
