Australia's real national anthem. This tune often called 'The Queensland Version' was collected by John Manifold from John O'Neill of Buderim. Manifold notes how much better this tune fits the words that Banjo Paterson wrote. Billabong-billa-water, bong-dead- thus backwater or channel forming a lagoon or pool. Billy-can or kettle. Swagman- itinerant worker, tramp. Tucker- food.

Down came a jumbuck to drink at the billabong,  
 Up jumped the swagman and grabbed him with glee,  
 And he sang as he stowed that jumbuck in his tucker bag, "You'll...  
 Up rode the squatter, mounted on his thoroughbred,  
 Down came the troopers, one, two, three,  
 "Where's the jolly jumbuck, you've got in your tucker bag? "You'll...
